VOL. XI NO. 1

## 1973 NATIONAL SCOUT JAMBOREE

This National Jamboree is planned to be the biggest and best jamboree ever held. It will probably be a once in a lifetime event for most guys, also one you will remember long throughout your Scouting days.

This year's jamboree is a unique one because it will be held in two separate places to make it easier to be able to go to one of them. Farragut State Park in Idaho (where the 1967 World Jamboree and the 69 National Jamboree were held) and Moraine State Park in Pennsylvania will be the two sites for the double jamboree. You will get the chance to pick the jamboree site you wish to go to but whichever one you go to you're sure to have a great time that you'll be able to remember for a long time to come. There will be patrol and individual competition, mass gatherings, displays, sports, new friends, fellowship, aquatic sports, and that's not all!

To go to the jamboree, you need to get your troop, post, or group of Scouts together with your adult adviser and

make reservations, pay the basic fee (75) and get impatient waiting for the 73 Jamboree to come. Jamboree-East will be held on August 1 - 7; and the Jamboree West will be held on August 3-9.

This is a chance to attend an event you just can't miss, so run and reserve a place for yourself and attend the double Jamboree in '73!

FROM THE  
CHIEF'S  
TEPEE

Brothers,

Last year was a very productive year for Kecoughtan Lodge. Besides our usual load of Lodge Ordeals and Christmas Banquet we have also provided the entire area with a super Pow Wow that will never be forgotten. But if we are to make this year for the mighty acorn everyone is going to have to pitch in and help get our lodge rolling again.

The upcoming year is just as important to us as last year. Even though we are not sponsoring the Pow Wow, we have an important obligation to ourselves and to the rest of the lodges in our area (Section, as a result of the now redistrictive of the region of the BSA). We, as a section, have incorporated four new lodges which are Nentico, Guneukitschik, Ahtuhquog, Nentego, and Tutelo (Powhatan and Koo Koo Ku Hoo merged) and we should make every effort to make their transition as easy and friendly as possible.

I am looking forward to working with each of you during the next year

Yours in Brotherhood,

*Del Croom*

THE EDITOR'S  
SMOKESIGNALS

Brothers,

I thank you for voting me into the office of Corresponding Secretary.

This first issue of the Kryer is a little overdue and I'm sorry for letting you all down. But until the end of my term I shall try my hardest to put out the best newspaper I can.

Yours in Scouting,

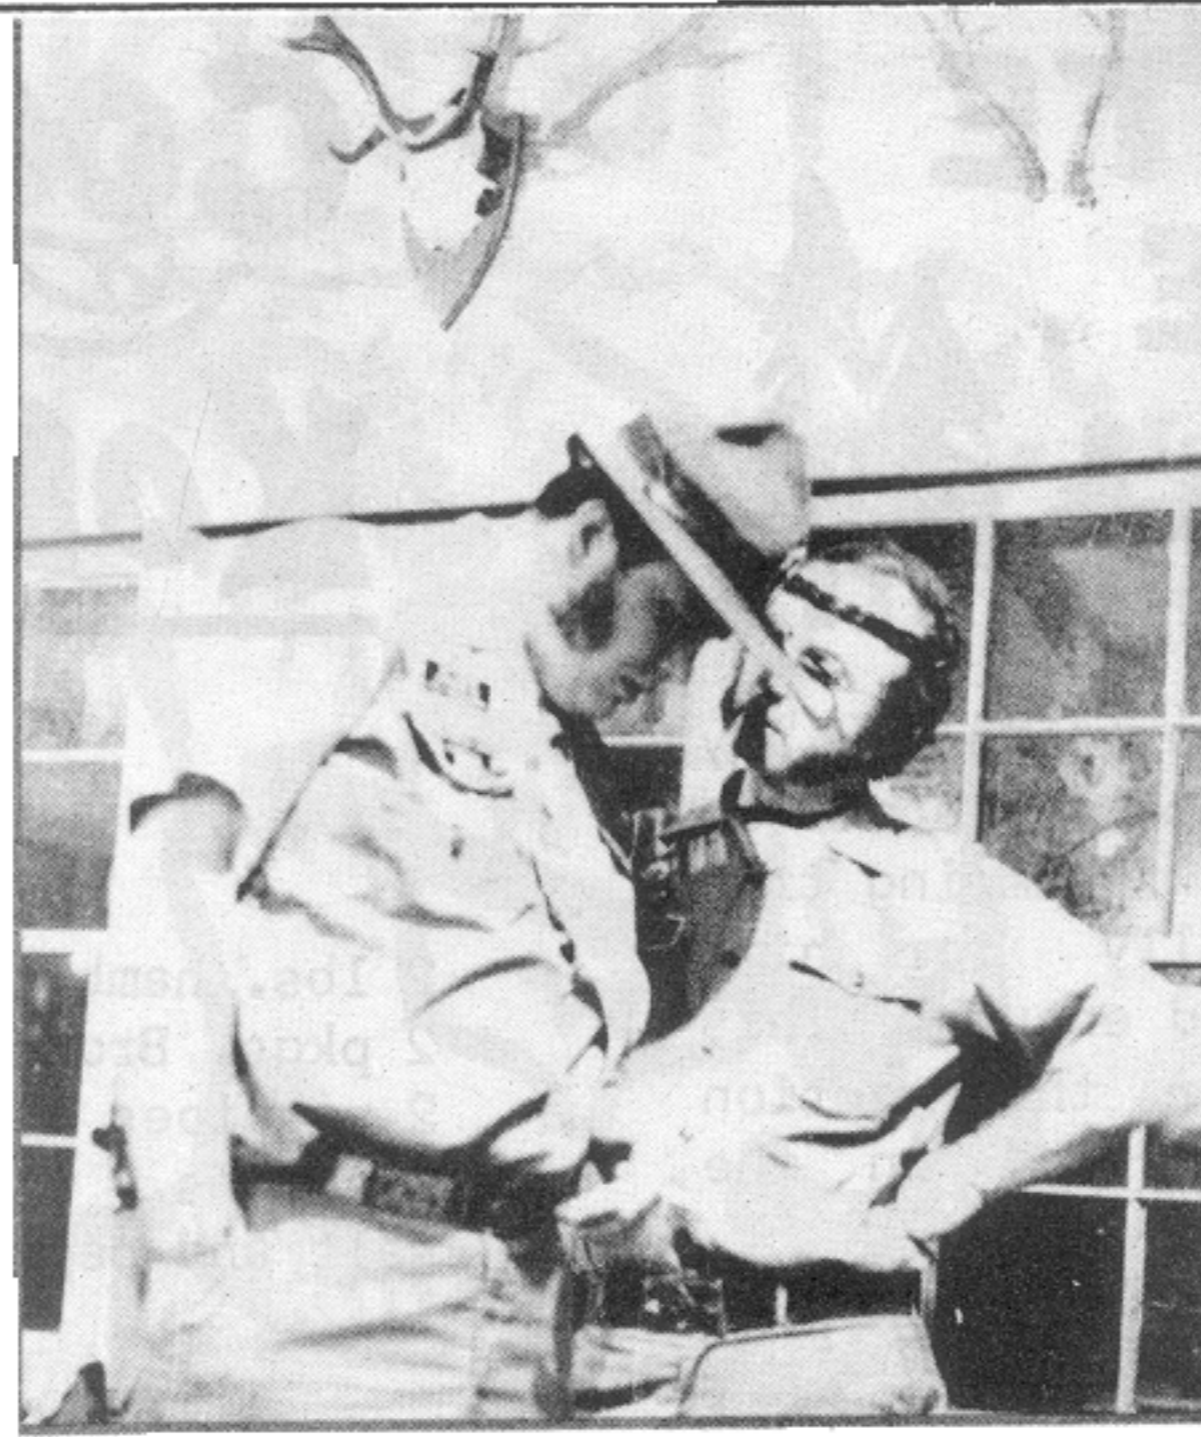

*Eric Fox*

# CAMP SITE OF THE MONTH

A truly exciting experience for any young boy who has just become a scout is his first camping trip. A camping trip should be planned specially for him! This can't be emphasized enough. This is the main purpose for this section which is continually carried in the KECOUGHTAN KRYER.

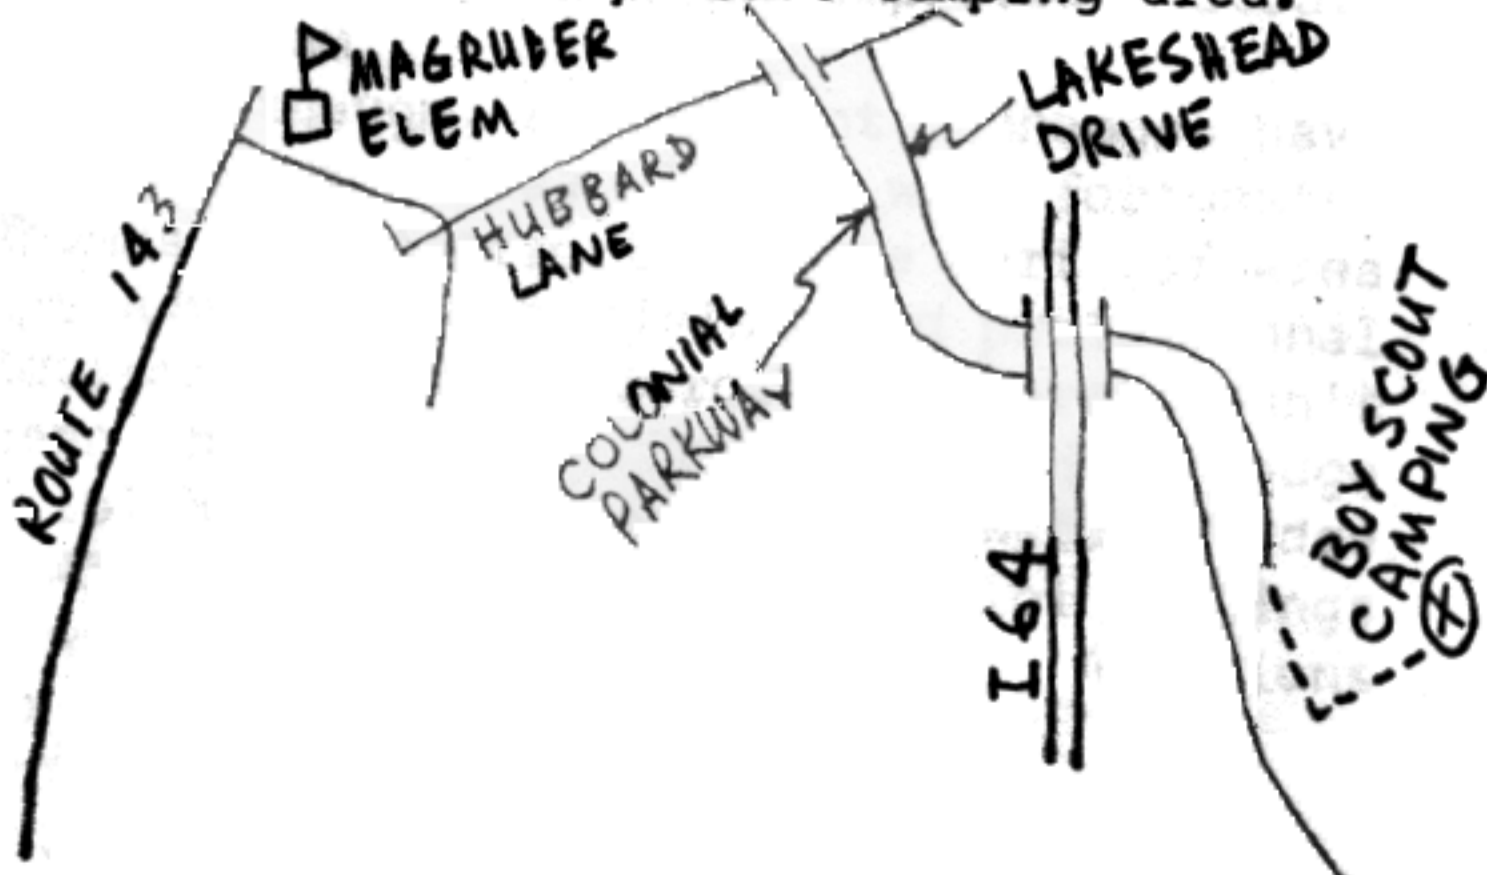

## CAMPSITE OF THE MONTH

CAMP PEARY  
\*\*\*\*\*

This campground is in a splendid wilderness area on Queen's Creek outside of the Camp Peary fenced area. It is completely primitive, except for a water trailer provided by Camp Peary on the basis of your reservation.

The area is patrolled by military police, so equipment is safe while you are hiking, fishing, or clamming. There is plenty of dead wood for firewood. Parking space is limited; and the trails are pretty rough on cars from where the roadway ends.

To make a reservation, call the Camp Peary operator at 229-2121 and ask about the Boy Scout camping area.

## SOUTHEAST REGION SECTION 1

## CHAPTER CHATTER

Area III-C is no more. What was formerly called Area III-C has been changed to Section I, Southeast Region. This shuffling of lodges is to keep in step with the reorganization of councils that goes along with the Improved Scouting Program.

Although significant changes have taken place, Area III-C was fortunate. Thanks to the efforts on the part of Area Lay Advisor, Bob Alvis and professional Advisor, Bill Dillard, our area hasn't been broken up. Koo Koo Ku Hoo Lodge # 161 has been merged with Powatan Lodge # 456 to form Tutelo Lodge # 161 mergings always take the low number. Additions to the area include four lodges: Ahtuhquog Lodge # 540, Guneukitschik Lodge # 317, Nentego Lodge #20 and Nentico Lodge # 12. They were introduced at the Kitchen Cabinet Meeting. We can look forward to seeing our new brothers at the 1973 Pow Wow.

PAMUNKEY CHAPTER  
(THE "ONLY" CHAPTER)

On the move again the guys of the Pamunkey Chapter struck out into the field to aid the Pamunkey Indians on their reservation. The small enthusiastic crowd cleared a wood bin for the trading post, tacked up plastic window protectors, cleared a wood pile and had a lot of fun.

FLASH!!! Its almost time to reorder more of the "ONLY" Chapter Patch in the Lodge. Do you want more, and are eligible for more. If so, contact me, Mike Kinzie, at 851-2956 and tell me how many so, the chapter officers can reorder. remember, only 1 for ordeal, 2 for brotherhoods and 3 for those vigils!!!

GEGEYJUMHET  
(The Lodge Adviser)

It's that time of the year again, a time for reflecting on what we have done with the year that is almost at an end as this is written. It is also the time to look ahead, to search our inner thoughts, to ask ourselves what we Arrowmen are going to do in 1973.

As we assess the recent past and lay out a plan for the months to come, we would do well to remember that the Order of the Arrow, and even Scouting itself, is not our main purpose in life. However, we should not fail to recognize the wonderful influence that membership in our Brotherhood of Cheerful Service has on our attitudes toward people and events far removed from Scouting. All who have truly seen the Arrow are never without its influence.

He who has promised on his honor to "... endeavor so far as in my power lies, to be unselfish in service and devotion to

the welfare of others." is forever after just a little different in his way of looking at things and dealing with his fellow travelers on spaceship Earth.

That's really what I want to say in my spot in this issue of your lodge newsletter. I want to urge every member of Kecoughtan Lodge, Order of the Arrow, to bring his consciousness of being an Arrowman upward in his natural thinking, to let it be a part of his everyday way. Many of you need no such admonition. You are what I am trying to describe. The Obligation day by day all these years have made it the force for Brotherhood and Service that we all wish it to be. It's just that some of us have a little problem with "change." So, when something like the O.A. enters our lives, we don't quite know how to use it right away. My suggestion is: Let it use you! Let the Spirit of the Arrow rule your life and you can't help but be happy and fulfilled.

Have you paid your 1973 Lodge Dues?

You know if you have. This set of labels was printed in November (a Scout is Thrifty) so the "dues paid" digit (the last one on the top line) may not be up to date. REMEMBER: If dues are not paid by January 22 (we have to close the 1973 books by then), your membership will lapse and it will take another dollar to reinstate it. It's in the Lodge Rules.
